IN the GREAT HOOZINI

Harvey Mailbox

Dear Harvey Comics,
I am an avid cartoon historian and especially enjoy watching the animated antics of the early Harvey Paramount cartoons. I was excited at the prospect of a Harvey tape, "Casper's Endless Summer." What I was wondering about was does this tape feature the wonderful Paramount-Harveys of the 1940's, 50's and 60's or some 1980's recreation? Thanks. Sincerely a young cartoon historian and fanatic,
Joey Marchese, age 10 1/2—Clark, New Jersey

Dear Joey,
Rest assured - Casper would never let you down. He appears (and disappears!) in all the glory and spirit of the original 1950's Paramount classic in "Casper's Endless Summer" video tape, available exclusively from Harvey Comics. Thanks for being such a loyal Harvey fan!

Dear Professor Harvey,
My main purpose of writing you this letter is because one of my hobbies is reading comics. There is always a competition for comics between youngsters, conducted by the teachers. I like to read and understand your comics. More grease to your shoulder! Thanks.

Sonsie Olumide—Nigeria, Africa

Dear Sonsie,
As you know, Richie Rich's favorite hobby is exploring exciting and sometimes dangerous places. Maybe you can help him discover the jungles of Africa for his next vacation! Thanks for writing and showing us that we have so many devoted fans all over the world.

Dear Sirs:

I have been reading your comics for years and would appreciate information on buying more comics or video tapes for my VCR. Thank you for all the years I've enjoyed Harvey Comics. Stay around for a while longer. Thanks again.

Ms. Georgeanna Lugin—Harrison, NJ

Dear Georgeanna,
Have no fear—Harvey is here...to stay! We're publishing more books than ever and will soon be releasing a video series of Harvey cartoon classics! We can't wait to hear from you...again!

Dear Harvey Comics:

It's great to be back with Richie Rich comics again! When I was in elementary school I collected his comics by the dozen. Now I'm 20 years old and am starting in again. I just want you to know that Reggie is my favorite character. I can probably relate to him the best. Your comics beat Superhero comics because they can make your readers laugh. Take care!

Mark A. Campbell—Holcomb, New York

Dear Mark,

Even though Richie has all the money he needs, he can never have enough friends (and boy could Reggie use a few good people on his side!). Welcome back to the fun and adventure of Harvey Comics!

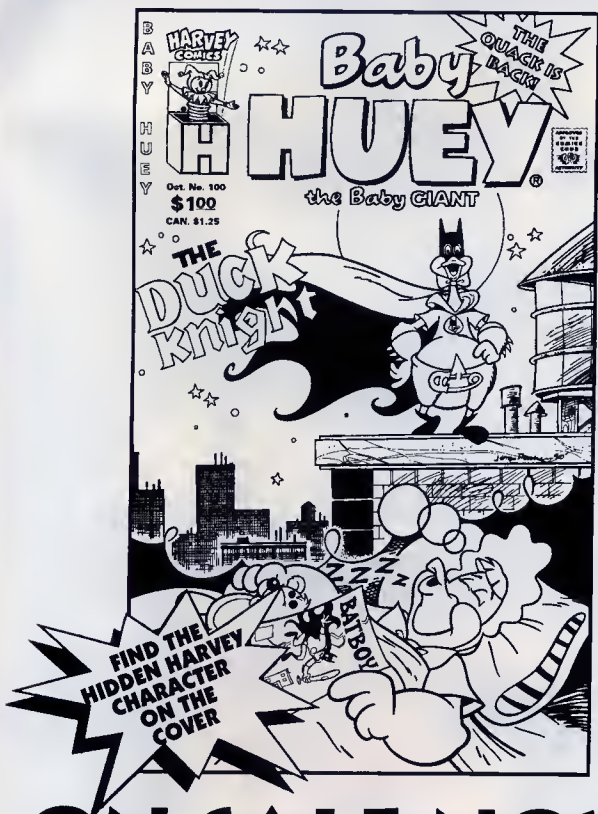

We can't wait to hear from you...
